# IDENTITY

noun

/ ahy-den-ti-tee /

*You deserve to be noticed.*

Putting a logo on a product shouldn't be complicated. How many times have you ordered branded products and they came back to you with a miss stitch, the wrong color, not as expected or had an error of some sort? We won't put you through that. When you choose to work with Business Essentials you will work with the same account specialist who will handle the process and logistics for you to ensure you are 100% satisfied.

# FACILITY SUPPLIES.

## EQUIPPED

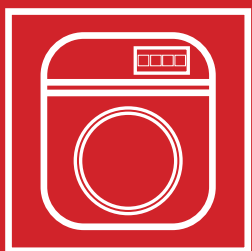

verb

/ ih-kwip /

*We give you the tools to complete  
any job in your facility.*

Frustrated with how labor intensive maintaining your facility is? We understand it takes a lot of time and energy; you'll need products, equipment, and a service team to take care of general maintenance. We can help. Your time is money; we want to help you make things less labor intensive and more efficient. Have one of our facility specialists work with you to develop a customized program that will work best for you and your facility.

# WAREWASH & LAUNDRY.

## SERVICE

noun

/ sur-vis /

*We're there when you need us.*

You need a readily available, reliable, and knowledgeable service team. We get it. Allow us to create a customized service plan to help you stay on track, decrease your rag-out, linen rejects, and spotty glassware while maintaining your inventory levels. We have service technicians who will go over a full line of dish and laundry chemicals with you as well as equipment and machine sales/leasing. Don't just wash it. Get it clean.

# OFFICE PRODUCTS.

## SIMPLIFY

verb

/ sim-pluh-fahy /

*We make buying office products easy.*

Ordering office products can quickly become overwhelming. And let's face it, you've got more important things to do. Allow our experts to streamline your ordering process with solutions unique to your needs. No matter how big or small, we've got proactive recommendations to bring you the value you deserve.

# BUSINESS INTERIORS.

## CONFIDENT

adjective

/ kon-fi-duh nt /

*We won't leave you in the dark.*

It's a big purchase. We understand. Not to mention, it's difficult to find office furniture. How do you know if you're getting a good deal? Is it good quality? How much should you spend? These are all questions our business interiors team can answer. Rest easy knowing you're in good hands with interior designers who know what they're doing. With over 120 manufacturers to choose from, we're confident we can help you find exactly what you're looking for, within your budget. # PRINT & DESIGN.

# I M A G I N E

verb

/ ih-maj-in /

*We'll bring your vision to life.*

You have a vision, but you're just not creative like that. Not a problem. We have a team of graphic designers and print specialists to bring your vision to life. You may also be thinking: I don't know the first thing about printing. Not to worry, we'll make sure you know exactly what you're getting before we print your project. Ask about our capabilities. We offer a broad range of services not limited to: forms, invitations, menus, business cards, envelopes, booklets, and postcards. Chat with us about your vision. Allow us to help you through creating a few drafts. Look them over and let us know where changes need to be made.

You want to **simplify**. But with not enough hours in the day, it can be difficult to find the time to figure out what to simplify and how to do it. We get it.

Let's be honest, you've probably tried countless "office hacks" to simplify your process, but have you tried **one sourcing**? Sure, in big box stores you can find some of what you need. But while they provide a quick route to getting what's on your list, you still end up spending more time having to look elsewhere for the items you couldn't get. Not to mention, the lack of personalized service isn't always in your favor. What if there was a way to get everything you need for your office in **one place**, with personalized service to meet your unique needs and you could do it all from your computer. Would you be interested?

We know what you're thinking: *One sourcing? There's no way you can actually get me everything I need from one place.* Actually, we do one source. We serve: Warewash & Laundry, Facility Supplies, Office Products, Branded Products, Print & Design, and Business Interiors. Good enough is not good enough when you strive to **be the best**. Come to us with a problem and we'll be accountable to solve it, creative in our approach, and driven to serve you. Allow us to help your organization one source to save you time, money, and extra work.
